

Name:.....

*Answer the following questions about your dissertation and then about research for your final diploma project. Please return as soon as possible.**

Dissertation

What subject have you chosen ? Describe the main questions or issues you raise. Have you found a title yet ? (French/English)

Give a short list of some of the sources you have been using and how they contribute to your thinking.

Do you intend extending the dissertation into new areas or is it more or less completed? Would you like to delve deeper into your subject or do you think it might help to stand back and take a broader point of view?

How does this subject connect with your research practice?

General research for your diploma year project. Use the back of this sheet to answer .

What area are you investigating at the moment ? (Explain with the help of a sketch or illustration.)

Do you have any other fields you would like to explore ?

Describe how you prefer working ? Do you have a set routine or need to get high on drugs & alcohol or have to stroke a black cat before you can work properly ?

What sort of working environment is best for you?

If you had unlimited time and funds, what would you like to do ?

Describe what you hope to be doing in January 2016
